L.A. Care Health Plan SNF Reference Guide

Please refer to the below information provided in this guide for information on the code conversion of Revenue Codes, Value Codes, and Value code amounts.

SNF Accommodation Codes

The National Uniform Billing Committee (NUBC) maintains the standard data set for claims. Effective 2/1/24 a single accommodation code was replaced by three NUBC codes. The new **Revenue Code, Value Code 24** and **Value Code 24 Amount** combinations must be used to bill for Skilled Nursing services. The appropriate code combination that is Applicable to the type of facility must be used.

Note: Contracted should bill in accordance to guidelines outlined in their contract (see-contracted providers' special billing provisions below).

Example:

NF-B Adult Subacute, Free Standing – Non-Ventilator Dependent, Regular Services:

The **Accommodation Code is 76**, the **Revenue Code is 0190**, the **Value Code 24** and **Value Code Amount 76**. Please indicate the Accommodation Code, Value Code and Value Code Amount in boxes 39 – 41 of the UB04 form.

The following is a list of acronyms used to describe the SNF Accommodation Codes listed below:

- Accom. – Accommodation
- Value Code 24 - Medi-Cal Rate Code
- Value Code Amount - Drives the appropriate payment rate
- DD – Developmentally Disabled
- Non-DD – Non-Developmentally Disabled
- DP/NF-B – Distinct Part Nursing Facility Level B
- ICF – Intermediate Care Facility
- ICF/DD – Intermediate Care Facility Developmental Disability Program
- ICF/DD-H – Intermediate Care Facility Developmental Disability Program, Habilitative
- ICF/DD-N – Intermediate Care Facility Developmental Disability Program, Nursing
- NF-B – Nursing Facility Level B (meets the criteria of 22 CCR 51335)
- Nursing Facility – Level A (NF-A)

Reimbursement for SNF services:

- Contracted providers are reimbursed at the contract rate.
- Non-contracted providers, should reference the following DHCS link for rates: [Long Term Care Reimbursement](#)
